FRIDAY, SEPTEMBER 27

## 2024 PARTNERSHIP CONNECTION

### PUBLIC FUNDING DOESN'T DO IT ALL.

Something you and your family love about the library is likely made possible only through donations.

Your partnership provides the library with critical funds that support youth, teen and adult programs, heritage months, Kindergarten Readiness, Summer at Your Library, makerspaces, technology needs and much more. Every dollar makes a difference.

#### YOU CAN ENSURE:

- Rising kindergarteners have a place to get ready for school
- Older adults have a place to meet for weekly programs
- Teens have a safe space to hang out and stay connected
- Intellectual freedom is protected and every person has the right to read books of their choice
- The library remains an active agent of change in the world
- All are welcome and belong

#### INTERESTED IN MAKING A GREATER IMPACT?

Please see the other side to learn more about becoming a partner for the library's premier fundraising event.

Contact Bethany Kerley, donor engagement, grants and events manager at 410-222-1573 or send an email to [bkerley@aacpl.net](mailto:bkerley@aacpl.net).
